12 different make-ups of Muslin and Cambric Gowns. Some are in Empire, some with round, others with V, and a few in square neck. They're taxtefully touched up and trimmed with 

# The Baum Stock is on the Go!

And it'll be kept moving so long as there's value to give and prices to cut. Think that such a thing as a mere snowstorm affected the crowds yesterday? Not by a long sight! There were leaders waiting at every bend and turn that nothing less than a blizzard could have kept Washington away from. And we're only beginning to get the different lines into the shape we want 'em. Tomorrow we've picked out some magnificent specials for you-keeping at some we gave you at the sale's start-adding others even more weighted with timeliness and attraction. And on top of Baum's specials are some of the best and choicest pickings from our own stock-goods that Baum didn't have in his store, but in which we stand first and
